Bachelor Creek puppies come with a (2) year HEALTH GUARANTEE that covers congenital health defects for a period of 2 years from the date of purchase/adoption.

You (The Purchaser) **must notify seller** (Bachelor Creek Kennels) IMMEDIATELY if your puppy becomes ill, does not eat well, or shows any other signs of distress within the 2-year health guarantee period. **Failure to contact Bachelor Creek Kennels within 48 hours of diagnosis will VOID this contract.**

Congenital Health Defects is defined as a defect that is present at or before birth. Congenital defect is also defined for this contract as a disease or defect which is only found in the parents of the puppy.

You (The Purchaser) will have up to thirty (30) days from the date of purchase to have your puppy examined by a licensed veterinarian (costs associated with this are the responsibility of the purchaser).

If your puppy is found to have any life threatening or genetic defects, you **must notify Bachelor Creek Kennels and provide a written veterinarian’s statement that includes the complete diagnosis of the puppy’s condition (and X-rays, if applicable) within 48 hours of diagnosis.** We reserve the right have the diagnosis verified by another veterinarian of our choice and/or require you to have specific tests run on the puppy to verify the diagnosis.

I understand my puppy will be replaced or refunded (Purchaser option), only if the death was caused by a covered genetic problem or an illness which my puppy had at the time of purchase.

If the puppy is replaced, it will be replaced with one of equal value as soon as available and only after the puppy and all papers have been returned (in satisfactory condition) to Bachelor Creek Kennels in Flora, Indiana (All travel/shipping expenses are the responsibility of the purchaser). **Puppy must not be euthanized without prior written approval from Bachelor Creek Kennels or this guarantee is VOID.** You understand that your puppy will only be replaced if health problems are life threatening and are attributed solely to a hereditary problem and are **not due to accident or injury.** Any accident or injury (diagnosed in writing from a licensed veterinarian) after the date of adoption will **VOID THIS CONTRACT.**

Failure to follow the medical advice and/or treatment instructions of a licensed veterinarian or Bachelor Creek Kennels will VOID this guarantee.

Bachelor Creek Kennels is NOT responsible for any veterinarian's bills unless previously agreed to in writing by Bachelor Creek Kennels.

Bachelor Creek Kennels does NOT guarantee the size, color, hair length, texture, temperament and/or house-training abilities of your puppy.

Bachelor Creek Kennels does NOT sell its puppies for breeding purposes. Purchaser agrees to have their purchased puppy spayed or neutered within 1 year of purchase/adoption. **Proof of spay or neuter is required within one year of the date of adoption (Form Provided).**

NOT COVERED – internal or external parasites, hernia, undescended testicles, under or overbite, injuries, allergies, heat exhaustion, or hypoglycemia. Hypoglycemia is preventable with good care and feeding. Because a luxating patella or collapsed trachea can be caused by injury, they are not covered if they are not discovered during your veterinarian's initial examination. Kennel cough and other communicable diseases are not covered after your veterinarian's initial examination.

This HEALTH GUARANTEE is VOID if you fail to meet any of its terms and conditions.
